OLD AND NEW CLUBS .- Clubs (according to a chest of paper in All the Year Round) are not now what her valued they formerly were. Like many other things, hat on Fri- they have grown grander and more catentatious on shore with the progress of civilisation and the increase ed them in of national weal hi hut it may be doubted whewent away have not lost in sociability and ease. A clab. now in the generality of cases is a palace where the soul is dazzled with gilding and oppressed by factmen. You pase through magnificent halls, erwards he sit in calcens worthy of Versailles, and admire ling olothes | yourself in mirrors big enough to reflect the giant inmediately Gormoran from head to foot, The cub has acresulted in cordingly come to be regarded more as a piece of has not re- mingled convenience and show than as the scene of social gatherings and intellectual recreation. It is an hotel for dining at, a house for smoking in, an address for Inttors, a reading-room, a place for appointments, a centre of political influencet know the anothing rather than a quiet meeting-ground for starday, he equals and familiars, where ideas may be exand other A few clubs of the older fashion still remain, but Road West they are not likely to become more numerous. a inquired | In the 18 b century-the golden age of club- all this bouge this was different. The Add some and Steeles, information, the Johnsons and Goldsmiths, the Gazricks and tograph has Revaldees, had a very sang idea of clubbing. not know They did not suffer themselves to freeze or parch in separate groups, scattered about a Great Desert dian's board of velvet pile carpet, but gathered together in a g in Queen's roum of moderate espacity, where the electric day last he currents of wit could circulate through the whole hody of members' A few familian friends sitting chest and around the same table, meeting on stated even-

to the past ingr. and bresking up when they liked, given proceedings one the bost idea of club life as it was a bundred years ago smong the literary and artistic circles. THE DEFENCER OF CLYADA. -The military preparations for the defence of the province are still being carried out with the greatest energy. Orders have been issued for the formation of a camp for defence as well as instruction in the vicinity of the town of St. John, shout 20 miles to the south I Mentreal a ross the St. Lawrence The Montreal volunteer battallone, as in the case of the camp at Thoroid in Upper Canais, will in succession parform duty for eight days at the camp, and towards the close it is probable two or three bastalions may be on service at the same time. The Kingston Whig states that a great quantity of army equipments are daily being issued from the imperial stores at Montreal and forwarded to avently [rom the west. Yesterday morning the steamer Magnet went westward with some Armstrong guns and field carriages complete, together with ammunition. The steamers of the sems line are to the boardconstantly receiving army-stores from the depot at Montreal. The stemper Byt wo, from Otsawa, yesterday isneed it beam, and 31 cases of vol unteer clothing, the remant of several hundred cases of clothing previously shipped to the conthe Tavera manding officers of western volunteer, battenlien These are all forwarded from the provincial stores in this city. Cases of brench loading rifles for the volunteers are also constantly being despatched. The Quebec Chrenicle understands that, among the wast amount of military stores at present on their was and about to be shipped from Bugland to Canada, are 2,000 superb breesh-loading carbines, that prisoner especially made for the Canadian cavaray. These bruss will be here next week and at once served the the things muk to the varings troops of caralry throughout the province. A number of competent drill instructors from the 13th Hussara will be told off also to instruct the men in the use of the carbine, which is the most efficient and beautiful arm on the Con-
